

**NEW “ALL AGES” RESOURCE BOOK**

***WE ARE ALL... in this together, in this alone  
A Resource for All Age Experiences for Congregations***

**By Audrey Cameron and Colene Williams  
\$15.00**

**“When people of all ages come together in Jesus’ name,  
holy moments happen.”**

These introductory words draw us into a book which should be in the hands of every AMS auxiliary.

Here are tools that every AMS auxiliary can use to sponsor a morning, afternoon or evening of shared fun and learning. Invite families, singles and seniors...all ages together. This book is a feast of program plans for thirteen different two-hour (or less) “All Ages Events”.

There are opportunities in each program for every member of your auxiliary to get involved in the planning, gathering resources, leading the games, preparing purposeful snacks and crafts or taking care of the nametag table. If they are not already in your AMS group, look in the congregation for these people and others who love to decorate or tell stories or lead in worship.

Remember that these programs are NOT just for children but for everyone in the congregation. Buy a copy for yourself or your favourite AMS member!
